HOTEL COSTABELLA***

The 'Trendy' hotel on the San Pellegrino Pass offers an amalgamation of stylish duplex rooms (7 in total) and a well-known bistro-bar/pizzeria/ristorante. At Snowthrill, life on the slopes of San Pellegrino unfolds over delightful coffee and the legendary Veneziano. Here, as the AB active group, we enjoy our daily lunch break between training sessions, where training groups gather. The duplex rooms feature a living area downstairs and a bedroom upstairs – meticulously furnished with a keen eye for aesthetics and elegance. The hotel is conveniently located near the picturesque town of Moena (10km).
